AN ORDINANCE to license, tax, and regulate vehicles and hauling in the City of Albany, Oregon, and to provide a penalty for violation thereof.

THE PEOPLE OF THE CITY OF ALBANY DO ORDAIN AS FOLLOWS:

Section 1. The owner or any person operating any hack, cab, hackney, coach, carriage, wagon, cart, auto truck, automobile, or other vehicle used for the transportation of passengers or of any article of trade or merchandise, earth, ballast, building material, or other substance, exclusively within the corporate limits of the City of Albany and not to exceed three (3) road miles beyond the city limits (except persons carrying or delivering their own personal property), with or without compensation or hire, directly or indirectly, shall pay a license fee for each truck, automobile, or other vehicle above mentioned as follows:

For one year-----	\$16.00
For nine months-----	\$14.00
For six months-----	\$12.00
For three months or for any period of less than three months-----	\$ 8.00

Such license fee shall be due and payable upon the first Monday of January in each year if such vehicle is then in operation, but if operation is begun at any later period, the said license fee shall be paid in full prior to such vehicle being put in operation; provided, that nothing in this ordinance shall be construed so as to require persons drawing earth, sand, gravel, or lumber for improvement of the public alleys, bridges, crossings, streets, or highways of the city of Albany, or drawing wood, gravel, or other commodities from outside the limits of said city, or plowing or scraping the public alleys, streets, railroads, or other public improvements, or hauling earth or other excavated material from places where buildings are being erected, altered, or repaired, or any person engaged in the sale of milk or dairy products within the city, or hotel keepers for omnibuses run by them for the sole purpose of carrying passengers without hire or charge between their respective hotels and the depots or steamboat landings, in said city to procure a license therefor.

Section 2. All licenses issued as quarterly licenses shall expire on the last day of each quarter, i.e., the 31st day of March, the 30th day of June, the 30th day of September, and the 31st day of December of each year. All quarterly licenses shall be dated from the first day of the month in which the liability therefor accrued shall be issued upon the payment of a sum proportionate to the whole amount required for such license per quarter; provided, that no license shall be issued for a later date than December 31st of the year in which the same is issued.

Section 3. The council shall have authority to designate the place or places upon the streets, alleys, or other public ways of the City of Albany as the regular stand or stands, place or places at and from which any and all cabs, automobiles, or other vehicles used in the transportation of passengers, licensed under the provisions of this ordinance, shall operate. All applicants for licenses hereafter to be issued shall, before making such application, obtain both the consent of the business man in front of whose place the stand is to be located and the approval of the council of the location of such stand or stands, place or places, and such license shall be applicable only to such location so approved; provided, that in case the licensee shall desire to change the location of any of such stands or places where he shall have been licensed to operate under an unexpired license, the council may at its discretion, upon application therefor by the licensee, grant such change for the remainder of the license period.

Section 4. If any person or persons owning or operating any vehicles, automobile truck, or automobile used for any of the purposes specified in the foregoing section shall do any carrying or hauling or do any act for the doing of which a license is required by this ordinance, without first taking out such license as in that behalf required, or shall violate any of the provisions of this ordinance, he or she or they shall, upon conviction thereof before the recorder's court of said city, for every such offense, besides being liable for the payment of the license fee, be subject to imprisonment in the city jail for a term of not less than two days and not exceeding ten days or a fine not less than \$5 and not exceeding \$20.
