City Council
City of Albany

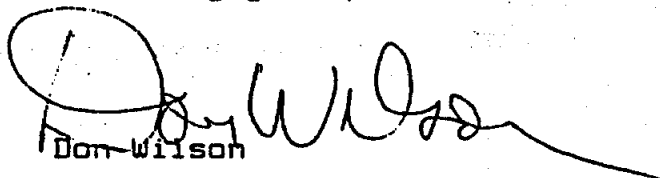

Dear Council:

This letter is a formal request for the council to initiate a L.I.D. for the construction of a sewer line from Commercial way to the south easterly corner of my lot 1400, the line running on the North side of State Highway 20, commonly known as Santiam Highway.

It is my understanding that you have the 80% acceptance factor from land holders that would be served by this sewer line.

Since we wish to start construction on our project immediately, we will appreciate your prompt action.

Sincerely yours,
