ATTACHMENT A

CITY OF ALBANY PUBLIC RECORDS REQUEST POLICY

<u>SECTION 1: Right to Inspect Public Records</u>. Every person has a right to inspect any non-exempt public record held by the City of Albany. Requests for any records of the City must be made under the Oregon Public Records Law and in accordance with the rules of this City of Albany Public Records Policy.

SECTION 2: Application for Public Records Inspection.

- 1. All applications for inspection of non-exempt public records shall be addressed to the City Clerk or the Deputy City Clerk using the Public Records Request form (Sample 1).
- 2. All applications for inspection of Police Department Records shall be received at the Police Department using the attached request form and fee schedule (Sample 2 and 3).
- 3. Upon receipt of said application, the application may be referred to legal counsel to determine whether records requested are exempt from disclosure.
- 4. The City Clerk, or the Deputy City Clerk in the City Clerk's absence, is the official "Records Officer". The Records Officer shall take reasonable measures to preserve the integrity of the records. In this capacity, the Records Officer may adopt reasonable rules necessary to protect the records and prevent interference with the regular discharge of duties of the City of Albany.

SECTION 3: Specificity of Request. In order to facilitate the public's access to records in the City's possession, and to avoid unnecessary expenditure of staff time, persons requesting access to public records for inspection or copying, or who submit written request for copies of public records, shall specify the records requested with particularity, furnishing the dates, subject matter, and such other detail as may be necessary to enable City personnel to readily locate the records sought.

SECTION 4: Reasonable Opportunity to Inspect.

- 1. The Records Officer shall allow a person applying for inspection and/or copying of public records a reasonable opportunity to inspect the records during usual business hours. Reasonable opportunity does not mean the time frame set by the requestor, so long as the Records Officer provides access to the non-exempt records within a reasonable period of time. All records shall be inspected by the requestor and copied by City staff at the City of Albany place of business.
- 2. The Records Officer may furnish a certified copy of the record to a person requesting said record. Certification shall mean a statement on the cover sheet or last sheet of the copy certifying that the copy is a true and correct copy and signed by the Records Officer.
- 3. If the public record is maintained in a machine readable or electronic form, the custodian shall provide copies of the public record in the form requested, if available. If not available in the form requested, it shall be made available in the form in which it is maintained.
- 4. The public right to receive copies of public records shall be complied with by the Records Officer within a reasonable time. It is the policy of the City not to postpone or disrupt current and ongoing matters of city business to provide staff time for inspection or copying of non-exempt public records. Staff time shall be coordinated by the Records Officer and shall be provided within a reasonable period of time from the date the record request was made.
- 5. The City is not required to produce "lists" of records that are not already available in the form of a "list".

<u>SECTION 5: Fees for Public Records</u>. In order to cover its actual costs for responding to public records requests, the following fee schedule is adopted by the City:
