

Ord 594

An Ordinance to ascertain, determine and declare the probable cost of certain improvement which the Council of the City of Albany, Oregon, has determined in Resolution No. 16 adopted by said Council on the 12th day of June, 1912, to make on Sixth Street in said City from the east line of Washington Street to the west curb line of Baker Street; to ascertain, determine and declare the portion to be assessed upon each lot or part thereof, a lien to be placed on said lots to be so improved; to direct the Recorder of said City to enter a statement of such assessments in the books of said city, as provided by the charter of said city.

Whereas, on the 22nd day of May, 1912, the Council of the City of Albany, in Lincoln County, Oregon, duly adopted a resolution requiring the City Engineer of said city to make plans and specifications for the improvement of Sixth Street from the east line of Washington Street to the west curb line of Baker Street in said city with gravel vitrified brick pavement, and for the installation of a sewer drainage system, and on the 12th day of June, 1912, the Council of said city adopted a resolution authorizing the City Engineer to make such plans and specifications, and requiring that the same be filed in the City Recorder's office of said city on or before the 15th day of June, 1912, said resolution being as follows:

Resolution No. 16 was adopted the 22nd day of May, 1912; and,

Whereas, the City Engineer of said city of Albany, pursuant to said resolution, No. 16, made plans and specifications and estimates as directed in said resolution for the improvement of said Sixth Street in the manner hereinbefore mentioned, and on the 15th day of June, 1912, filed said plans and specifications and estimates in the Recorder's office of said City of Albany on the said 15th day of June, 1912, and the City Engineer has since that time made a survey of said Sixth Street from the east line of Washington Street to the west curb line of Baker Street, and has determined the work to be done on said street and estimated the probable cost thereof, and

Whereas, the City Council on the 27th day of June, 1912, by Resolution No. 17 duly adopted to said Engineer, determined and resolved that it be and it is the duty of said Council, to provide for the improvement of said Sixth Street from the east line of Washington Street to the west curb line of Baker Street, in the manner provided in said resolution, as follows:

Whereas, it is the duty of said Council, to provide for the improvement of said Sixth Street

ORDINANCE NO. 394

Whereas, in the Council, the City Recorder of said city was duly ordered and directed by said Council to give notice of said proposed improvement of said Sixth Street from the east line of Washington Street to the west curb line of Baker Street, except the intersections with Ferry, Broadalbin, Allsworth and Lyon Streets, as provided by the charter of said City of Albany; and,

Whereas, the City Recorder, in pursuance of said order and directions of the Council of the said City of Albany, did give notice of said proposed improvement of said Sixth Street, in the manner provided by the Charter of said City; and,

Whereas, the said Council in and by said Resolution No. 9 ascertained and determined the total probable cost of making said improvement of said Sixth Street to be paid by the owners of the real property adjacent to said portion of said Sixth Street to be improved as mentioned in said resolution No. 9 to be the sum of \$7,582¹¹/₁₆, and the total probable cost of making said improvement of said Sixth Street to be the sum of \$18,696¹¹/₁₆;

Therefore,

The People of the City of Albany do Ordain as follows:

Section 1. That Sixth Street from the east line of Washington Street to the west curb line of Baker Street, except the intersections of Ferry, Broadalbin, Allsworth and Lyon Streets, in said City of Albany, Oregon, shall be improved as follows, to-wit:

- First: By grading said street to the proper subgrade.
- Second: By paving the roadway of said street full width with full intersections with gravel with a bituminous pavement.
- Third: By laying and constructing gravel vitrified headers.
- Fourth: By constructing catch basins.
- Fifth: By laying and constructing curbs.
- Sixth: By laying vitrified sewer pipe.

in accordance with said Resolution No. 9, and the plans and specifications of said improvement filed before the City Recorder with the City Recorder of said City of Albany Oregon, on the 10th day of June, 1906.

Section 2. That the probable cost of making said improvement of said Sixth Street in the City of Albany, Oregon,

ORDINANCE NO. 594.

from the east line of Washington Street to the west curb line of Baker Street, in the manner heretofore determined by the Council of said City of Albany, in and by said Resolution No. 19 is hereby declared to be the sum of \$10,000⁰⁰/₁₀₀.

Section 2. That the proportionate share of said probable cost of said improvement of said Sixth Street assessed upon each lot or part thereof adjacent to said part of said Sixth Street to be improved as aforesaid and as determined by said Council in and by said Resolution No. 19 is hereby ascertained and declared to be the sum set and fixed in the list hereafter the separate descriptions of each of said lots or part thereof, as follows:

Description of each lot or part thereof adjacent to said improvement of said Sixth Street:
