

WHEREAS, THE Albany Parking Commission has met for study and recommends the following:

1. Designating a two-hour parking space on the west side of Baker Street north of 5th Avenue in front of the law office of M. F. Willis,
2. Removing five existing parking meters on Ferry Street from First Avenue to Second Avenue to create additional two hour parking spaces. This change is recommended as a result of the recently designated 15 and 30 minute free spaces on First and Second Avenue.
3. Establishing a policy of assessing the full cost of special parking designations to the requesting party with the exception of two hour parking designations which would be a standard benefit of being within the assessment district.

NOW, THEREFOR, BE IT RESOLVED by the Mayor and Members of the City Council of Albany, Oregon, that the above recommends be adopted.

DATED this 5th day of November, 1980.

Richard S. Olsen  
Mayor
