ROAD FILE #633

ORDER

WHEREAS, pursuant to the provisions of ORS 373.270, the Board of County Commissioners is authorized to proceed to surrender jurisdiction over any county road or portion thereof within the corporate limits of any city, and

WHEREAS, the City of Albany has formally requested Linn County by Resolution No. 2187 dated July 23, 1980, to initiate proceedings necessary to so surrender jurisdiction of certain county roads hereafter described to the City of Albany, and

WHEREAS, the Board of Commissioners, after giving proper notice thereof, did conduct a public hearing at 10:10 A.M. on October 1, 1980, at the Linn County Courthouse, Albany, Oregon, for the purpose of hearing objections or testimony of any person, and

WHEREAS, the Board of Commissioners, after conducting said hearing, does hereby find that it is necessary, expedient, and in the best interest of Linn County to surrender jurisdiction over the roads or portions thereof, described as follows:

1. Morse Avenue - Pacific Boulevard (99E) to Jon Street
2. Salem Avenue - from Geary Street to Albany Avenue
3. Geary Street - from Santiam Highway to Salem Avenue

NOW, THEREFORE, the Board of Commissioners, on behalf of Linn County, does hereby offer to the City of Albany, jurisdiction over said roads to the same extent that said City has over public streets and alleys of said city, and

IT IS FURTHER ORDERED that such offer shall continue until such time as the City of Albany responds to this offer, but in no event more than sixty (60) days from the date of this Order.

DATED this 8th day of October, 1980.

SUBJECT: Proposed Improvements of County Jurisdictional Streets

The City is in the process of improving two streets within the City limits that are still under County jurisdiction. The first street is Geary Street, from the Santiam Highway to Salem Avenue. Community Development funds and property owner assessments will be utilized to finance this project in the summer of 1980 if everything goes according to our plans.

The second street is Salem Avenue between Albany Avenue and Geary Street. Federal Aid, Community Development, and property assessment funds will be utilized to finance the project, and it is scheduled for completion in the summer of 1981.

Since these streets are still under your jurisdiction, the City is requesting that the County also participate in the funding of each project. It is my understanding that County policy has been to participate by paying what the cost of a 2" asphalt overlay would be based on a width of 22 feet times the length of the project. If this is the case, the cost participation for each street is estimated as follows:

$$\text{Geary Street: } \frac{22 \text{ feet} \times 1200 \text{ feet} \times .17 \times 2.0}{27} = 332 \text{ tons} \times \$25.0 = \$8,311.$$

$$\text{Salem Avenue: } \frac{22 \text{ feet} \times 4300 \text{ feet} \times .17 \times 2.0}{27} = 1191 \text{ tons} \times \$28.0 \text{ (1981 cost)} \\ \$33,3$$

Re: Improvement of Geary Street

Dear Mr. Corso:

In reply to your letter of February 26, 1980, in which you requested funds from Linn County for the improvement of Geary Street and Salem Avenue, Linn County is willing to participate in the Geary Street project during budget year 1980-81.

Linn County will make available \$8,311.00 for this project as outlined in your letter - $\frac{22 \text{ feet} \times 1200 \text{ feet} \times .17 \times 2.0}{27} = 332 \text{ tons}$
 $\times \$25.00 = \$8,311.00.$
