WITNESSETH:

That the Grantor has this day granted unto the City of Albany, easement and right-of-way, including the right to enter upon the real property hereinafter described, and to maintain and repair public utilities for the purpose of conveying public utilities services over, across, through, and under the lands hereinafter described, together with the right to excavate and refill ditches and/or trenches for the location of the said public utilities and the further right to remove trees, bushes, under-growth, and other obstructions interfering with the location and maintenance of the said public utilities.
