## Exhibit "A"

### 1. Ambulance Fee Schedule Effective July 1, 2012:

Base Rate	\$1,020.00	Waiting Time (per hour)	\$180.00
Bariatric Services	420.00	Aid Call (no transport)	420.00
Extrication/Rescue	420.00	FireMed Membership (annual)	65.00
Mileage (per loaded mile)	19.50	Stand-by Coverage (per unit/per hour)	270.00
Extra EMT (per hour)	90.00	Stand-by Coverage (per EMT/per hour)	90.00

- 2. Base Rate:** The base rate fee covers all medical supplies, equipment, procedures, and services associated with pre-hospital medical care and ambulance transportation. Mileage and other services are billed in excess of the base rate. One base rate fee is charged for each patient transported. Only one base rate fee is charged for a round-trip transport from point of origin to destination and back to origin.
- 3. Bariatric Services:** Fee for transporting obese patients, requiring additional emergency services personnel and specialized bariatric equipment.
- 4. Extrication/Rescue:** Fees charged when an additional Albany Fire Department unit assists in performing fire suppression activities, extrication, or rescue that requires specialized equipment.
- 5. Mileage:** A mileage fee is charged for each patient who is transported. Mileage is based on "loaded miles" from the point of patient origin to destination and is computed to the nearest whole mile. Mileage for round trips is computed on total round-trip mileage.
- 6. Waiting Time:** Waiting time is charged when a patient is transported to a medical facility for medical treatment and then returned to the originating facility. This usually occurs between a hospital or care facility and another hospital, but may occur in other circumstances. Waiting time is charged in half-hour increments to the nearest half-hour and is charged only for time spent waiting for the patient. Time spent in transport and patient handling is covered under the base rate and mileage.
- 7. Extra EMT:** An extra EMT fee is charged for each extra Albany Fire Department EMT that is medically necessary to assist with patient care or ambulance operation during transport.
- 8. Aid Call:** An aid call fee is charged when an ambulance responds to a medical incident and provides medical treatment, but does not transport the patient. The aid call fee depends on circumstances, but is usually only charged when significant medical treatment is provided.
- 9. FireMed Membership:** The FireMed Membership fee covers the primary member and all dependents regularly living in the household for medically-necessary ambulance transportation during the annual membership period. The member and all covered dependents must live within the boundaries of the Albany Fire Department Ambulance response area. The terms of membership benefits are described in the Albany FireMed membership agreement.
- 10. Stand-by Coverage (unit):** The stand-by coverage fee is charged to individuals and organizations that want ambulance and EMT stand-by at public events. A unit consists of an on-site ambulance staffed by two EMTs. The EMTs will provide first response and all necessary first aid. A duty ambulance will handle ambulance transportation, and the patient will be charged for ambulance transportation.
- 11. Stand-by Coverage (EMT):** The stand-by coverage fee is charged to individuals and organizations that want an EMT stand-by at public events. The EMTs will provide first response and all necessary first aid. A duty ambulance will handle ambulance transportation, and the patient will be charged for ambulance transportation.
