PUBLIC NOTICE OF SOLE-SOURCE PROCUREMENT

Notice is hereby given that the City of Albany intends to enter into a sole-source contract in accordance with OAR 137-047-0275 with **US Digital Designs (USDD) by Honeywell** for approximately **\$208,226** for the procurement of the **G2 Phoenix Digital Alerting System** for use by the Albany Fire Department.

US Digital Designs by Honeywell is the sole provider of the **G2 Phoenix Digital Alerting System**, which is fully compatible with the existing infrastructure used by Linn and Benton County Sheriffs' Office dispatch centers. These dispatch centers serve as the primary and secondary Public Safety Answering Points (PSAPs) for Albany Fire and other fire agencies in Linn County. The use of a Sole-source Procurement is necessary to ensure compatibility, efficient utilization of existing dispatch systems, and the continued use of the alerting system without replacing established infrastructure and equipment.

The purpose of this notice is to provide information to the public and invite interested persons to submit written comments within seven days of the date of this public notice. Protests must provide a detailed statement of the legal and factual grounds for the protest, describe the resulting harm to the Affected Person, and state the relief requested.

Written protests must be delivered to Diane Murzynski, Contracts & Procurement Officer, in the Finance Department of the City of Albany no later than **4:00 p.m., October 3, 2024**. Written protests received after the closing date and time will not be considered. Protests must be submitted by email to procurement@albanyoregon.gov.

This notice is given in accordance with the provisions of the Albany Municipal Code, Section 2.66.060(11); Oregon Revised Statutes, 279B.075; and Oregon Administrative Rules, 137-047-0275.
